## University of Scouting & Leader Training Events

Training helps volunteers improve their leadership skills and deliver a quality program. Reward and recognize your trained leaders with great custom event patches! Moritz Embroidery Works can help you create quality BSA®-approved patches from beginning to end.

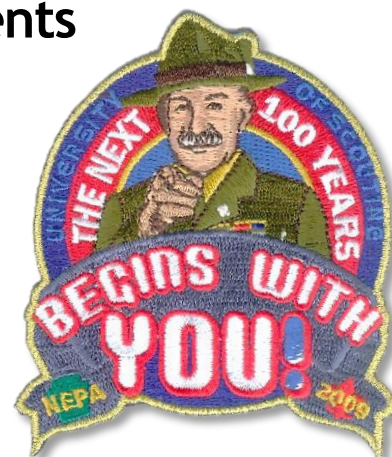

Talk with a Moritz representative to have a custom emblem created based on your design, description or theme.

For your convenience, we also offer a wide selection of already designed BSA® “stock emblems” – just pick a design and add your council, district or event name. You can browse our collection of stock emblems at [www.moritzembroidery.com](http://www.moritzembroidery.com).

We accept 30 and 60 day PO's from all active councils. For individual units and volunteers, we also accept Visa, MasterCard and Discover; or you can send a check.

Normal production takes 2-3 weeks. One-week “5-7 business-day production” rush orders are accepted in most cases. The Moritz Guarantee states that you’ll have on-time deliveries or your event emblems are FREE of charge. We also guarantee that all event emblem re-orders after an event will be priced at the "same original price" in quantities of 50 pieces and above for 90-days after your initial order is shipped so no Scout or Scouter goes without a patch.
