Custom Winter Event Patches

Winter is here and that means it's time for Klondike Derbies and other annual winter events! What would these events be without a great patch to collect? Moritz Embroidery Works can help you create a custom BSA®-approved patch for your event from beginning to end.

Talk with a Moritz representative to have a custom emblem created based on your design or description – we'll never charge you for artwork or design fees.

For your convenience, we also offer a wide selection of already designed BSA® "stock emblems" – just pick a design and add your council, district or pack name. You can browse our collection of stock emblems at www.moritzembroidery.com.

We accept 30 and 60 day PO's from all active councils. For individual packs and volunteers, we also accept Visa, MasterCard and Discover; or you can send a check.

Normal production and delivery takes 2-3 weeks. One-week "5-7 day production" rush orders are accepted in most cases. The Moritz Guarantee states that you'll have on-time deliveries or your event emblems are FREE of charge. We also guarantee that all event emblem re-orders after the event will be priced at the "same original price" in quantities of 50 pieces and above for 90-days after your order is shipped so no Scout goes without a patch.
